Nussbaums Screw Cans are the perfect durable packaging for your liquid personal and home care products. Consumers may simply refill and continuously use the same can, reducing waste and improving carbon footprint. Our Screw Cans are available with various thread sizes suitable for screw caps, spray pumps, dispensers and also for tamper-proof closures.

Raw Material

Pure aluminium >Al 99.0 or recycled aluminium on request. Nussbaum offers cans made from 100% **Nucan-PCR** material (100% used beverage can scrap, saving 96% of CO₂, DIN EN ISO 14021 certified)

Markets

Personal care, industry, household products

Internal lacquer

Standard EP, polyester-based coatings, BPA-non-intent coating systems, compatibility tests recommended

Outer lacquers and printing

White or colourless base; up to 6-8 colour print; glossy, semi-matt or matt finish

Features

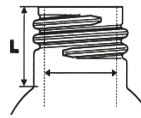

Functional, lightweight, unbreakable, stable, economical, lightproof, refillable, easy to use, 100% recyclable, sustainable, rustproof

Aluminium Facts

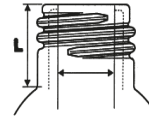

energy-efficient and resource-conserving, 100% and indefinitely recyclable without loss of its material properties, availability unlimited, lighter than steel & much lighter than glass
