N U S S B A U M ● We Can

Nussbaums Talc Can is ideally matched to the properties of cosmetic powders. It feels comfortable in the hand and enables the consumer to apply the powder to a targeted area of the skin. With its elegant appearance and its aesthetic shape, it becomes an eye-catcher in any bathroom. However the Talc Can may be used for all kind of products in powder form. Thanks to the refill option, the can may be used multiple times, making the packaging even more sustainable.
